

A Prayer For Twins To Fulfill Our purpose From Sirius Sun

I bow down in gratitude

Hear the rumble in my heart

Hear the rumble in my soul

As it wants to fulfill my purpose

My purpose burns in me, helping me know who I am

My purpose sets me apart from the mundane

My purpose keeps me awaken

My purpose runs in my veins

My purpose is my very breath

Help me serve my purpose

Help me see beyond the veils

Help me connect with my guides and teachers

Prepare me

Prepare me to serve my purpose

I am ready
